“ *I was very fortunate to know and love Ruby the last three years of her life. She was one of the friendliest people you could ever meet and her personality drew you in. She was someone I could tell anything to. She also had an amazing sense of humor and I enjoyed making her life. She has been a constant companion the past three years and I already feel lost without her. I know she is in a better place and I want her to know that I'll never stop thinking of her. She also had an amazing family whom I hope to see again. R.I.P. Rubes I love you and always will.. thanks so much for all the great times we've shared. Autumn Ching-long*

“ Duane and Susan and family, I didn't get to meet your mama, but, knowing you as I do, she must have been a treasure. She raised a good family. Hope your days forward are a testament to her. Always remember the good times and smile often. You'll find yourself doing that more and more as years pass.
