“ *"Aunt" Ruby was my great aunt, and was just that...great! She babysat me for many years when I was little. I will always remember her making all the kids take naps, and would make her rounds checking to see if we had our eyes closed. She made the best fried chicken. Chocolate gravy was also one of her specialties. Much love to Junior, Mark and other family.*

“ Ruby took care of my Jennifer for several years when she was little. She loved on her she taught her nursery rhymes she taught her ABC's and most importantly she taught her how to use the potty like a big girl. I could not have done all these things without her support and the love she had for not just my Jen but for all the kids that she took care of Heaven is a better place because Ruby and Earl are together there. Prayers for their families and lots of fond memories.

“ Ruby was one of the kindest, sweetest lady I know!! She loved every child she came in contact with. My husband, Gary Epley, and Earl delivered feed while we lived in Springdale in 1966. Earl and Ruby were always good friends of ours. After we moved away, we always tried to go by to visit. I hadn't seen her in several years. Gary passed away in 2012. My prayers and love are with all Ruby's family.

“ I was just thinking of Papa and Ruby this week and the many wonderful memories I had of them watching me as a little girl. They were the only babysitters I knew and yet I still have vivid memories of them almost 40 years later. I remember them taking us kids fishing and playing in their house and pretending to sleep when Ruby would come and check on us. They were both such wonderful, caring souls who were the grandparents I never had. Many prayers for Ruby as she flies high to heaven. May she now watch over my baby boy who is also in heaven until I can join them.
