“ *Like Amy, I also have very fond childhood memories of playing capture the flag and volley-bat games with Ryan and the other kids in the neighborhood. Though we lost touch after those childhood years, I remember Ryan as a genuine person with a kind heart. My thoughts are with your family in this difficult time.*

“ Ryan spent a lot of time with myself and my brother and sister when we were kids. Our childhood home was directly behind his grandparent's home. We were great friends and I have joyful memories of neighborhood-wide games of capture the flag and a made up game we all coined 'volley-bat.' He will truly be missed and I'm so saddened by this loss. I send my love to your family.

“ Ryan was very special to us. He always tried to be Adams big brother. He always had a kind word and that sweet smile that would knock you over. I always looked forward to holidays so I could get one of those big sincere hugs of his. He is going to be missed alot. I just hope he knew that we loved him very much.  
Love You Always Ryan
