“ *Norma and Bobby*

Our hearts were saddened when we heard of Dr Myers death. We had planned to attend the funeral but our sister-in-law passed away and services were held in Clarksville at the same time. We will always remember your kindness when we lost our daughter, Terry. Dr Myers called me a couple of years ago and we had a good visit. He told me again as he had from time to time that he had selected me for his department at Spdle Schools from 100 other applicants. We knew he wanted our department to be excellent and we tried to reach that goal as much for him, I believe, as for ourselves and the District. He was a special and talented person. Know our thoughts and prayers are with you both. Love, Mary & Charles Robbins. Bella Vista, Arkansas

“ Norma, we were very saddened to hear of Randy's passing. He was a huge part of my life while growing up in Garland because he came to visit my family every summer and during the holidays. He spent countless hours playing Canasta and Hand-and-Foot with me and my friends. I feel comforted to know that he has joined his family (and mine) in Heaven where they're gathered around the piano (with Randy playing) to rejoice and sing in God's presence. May God provide you peace and comfort in the days ahead. Our love always!

“ Norma and Bobby, I have known you all for several years and have experienced wonderful things with you all. Randy has played a very special part in my life. I will always remember his humor and ability to make people laugh. I know that with God's promise you all will see him again. I love you all dearly and will continue to pray for peace and comfort.

“ Norma, I feel so fortunate to have known Randy and to count as two of my best friends. I got to see him just a month ago, and I believe that afternoon was providential. Before He called Randy home, God allowed me to spend one last afternoon with a guy who did more than almost anyone to encourage me in music ministry. May He fill you with His peace that passes all understanding.

“ Norma, it is with much sadness I learn of Randy's death. I know you will miss him so much. I'll offer my favorite scripture with my condolences: Isaiah 41:10 - "Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, I will help you, I will uphold you with My righteous right hand." Please take care of yourself and know that this is a part of God's plan. I've thought about you several times during the past five years and wondered how you guys were doing. Maybe I'll try and give you a call in the next few days. God Bless You.....my love, Barbara

“ *My heartfelt condolences are sent to you, Randy's family, at this time. We are brothers and sisters in Christ Jesus.*

Randy has joined that cloud of witnesses that we all endeavor to join, and great will be our rejoicing when we are all together again.

Each person who enters our lives and whose life we enter is for God's purpose.

May the peace of God, which guards all our hearts and minds, and which passes earthly understanding, be with you now and in the very real grieving which follows earthly death.

In Christian love,
