Sandy was a beautiful soul inside and out. Her beauty is displayed above when she was kind enough to be in my wedding. Sandy and I grew up together. We lived three houses down from each other on Greenwood. We even had our first job together at the Highland Park Theatre. Laugh a little thinking about us watching the movie "Wizards" when we could sneak away. My deepest sympathies and prayer to all those who will miss her and her one of a kind smile. To Suzy-Q, Jeff and the whole Juhl family healing prayers to you all. May you have only the warmest, funniest memories of Sandy.

“ Sandy entered and exited my entire life. Each time we reconnected it was like no time passed in between. I think my best memory of her is spending my 21st birthday bar hopping with her!! I'll miss hearing the cadence of gravely voice and her spot on humor. My condolences to the Juhl family and may her memories be a blessing
