“ *When I think of Sean Warmack I think of a young man who loved life, a man who felt deeply and cared deeply. When he rewired the house I bought two years ago he wanted nothing in return. He was a person that would give you the shirt off his back and his last dollar if you needed it.*

I will never forget the joy and happiness he brought into my life. God Bless you Sean. You are gone in body but your spirt and love will always be here. Thank you for touching my life...

Sean had a beautiful heart and always willing to help anyone that needed him. He was so sweet with all the kids in the neighborhood they all loved talking to him. My little girl is already missing him. God has a good man sitting by his side. Rest in peace my friend.
