“ Shannon was my coworker and she was simply amazing. Always smiling, making people feel welcome, & she always had something great to bring to any room she was in. We would have lunch together with others & would always say 'is it really time to go back to work' as the conversations were always intriguing. She was a positive encouraging person & will be dearly missed by all who knew her. My thoughts & prayers are with the family, thank you for allowing Shannon to be a part of my life.
