“ *I was so privileged to know Char and live with Char and Tonya Lynn for a few years in her late teens or early twenties I really loved her and just was looking for about 3 months ago. It would be nice to reconnect with Tanya*

“ *Sharlyn was one of the most "special" students I have ever had in the 10 years I have been working as a nurse educator at the Schmieding Center.
She was one of those special people you wish you could clone so that everyone who needed a loving, caring and intelligent caregiver could have a "Sharlyn."
The world has definitely been a better place because of her love and beauty!
