“ My beautiful sister, Sharon, I love you and always will. I know you have joined your soulmate in Heaven. I'm sure you are looking down upon us all now with a smile on your gorgeous face. Your presence here on Earth will sorely be missed. Yet you will always be in our hearts for the rest of our lives. Sister Cathy

My sister, my best friend, I love you now and always...Heaven gained an angel the day we lost you...the days are hard without the sound of your voice...my heart is missing a piece it's broken...without you I feel so lost...I'm looking forward to seeing you again in Heaven...
