“ *Sharon will be dearly missed! We remember a trip to Arkansas (quite a few years ago now!) with Jim and Renee, Sharon had all the events of the past months recorded in a diary. Many times during the trlp the diary was produced to verify information that was disputed in conversation. Nobody was getting one over on Sharon, she was an excellent note taker! Her memory will be with us forever!*

“ Sharon was always the "MOM" of the kids in the neighborhood. She put up with a lot of our shenanigans and "partys" at the dheins back in the day!!! She always blamed me for using all the toilet paper..."it wasn't me Sharon!!"
(I could never convince her of that!)....BE AT PEACE! You are very much missed!!

“ Sharon was a great mother and friend..she not only mothered her six children but many others including myself...the first time I went camping with her, Jerry left to walk the dogs and asked me to watch the food..she watched me and told me every step that I was doing it incorrectly..lol..not much different then all the times I tried to help in the kitchen and household chores..she had her way and there was no other...I love her and miss her motherly advice ...praying God gives his peace to all who loved her and greatly misses her

“ I know that time heals but why did it have to slow to a crawl? This has been the hardest and longest two weeks of my life. I miss you mom, four times now it popped into my head to give you a call and then the tears come. You worked so hard keeping the Dhein house running, always cleaning up after us kids and cooking those wonderful meals. The holidays were always filled with fun and great home cooked meals and treats. You were always taking such good care of us all, always being mom even when you were under the weather. You were a great mom, You will always be in my thoughts and in my heart. The love of a mother lives on in the hearts of her children. Love James

“ I am so sorry for your loss. I remember as kids we would all go camping, the trip to california/mexico and to this day those carmel rolls can not be duplicated. I remember Sharon as a wonderful person who loved her family dearly. My deepest condolences to her family.

“ Sharon IS a great sis, she is more alive now than she has ever been because she knew the Lord. We once prayed to recieve Christ and acknowledged Him as Savior, she then took serious the bible, attending church, joined a women's bible study group which she enjoyed telling me of, and grew in faith even to the end of her time here.

She was a work in progress but is now glorified and it is only a matter of time before I see her again.

Her earthly brother and brother in Christ, Rod.
