“ I was so fortunate to have known such a sweet lady. I still remember the first time I met her and how she welcomed me into her home. She was kind and loving and I am blessed to have known her. So thankful that she was part of my life and I was able to listen to some of her stories and share a part of her life. You will always be in my heart. Sweet dreams, sweet Shay... May you forever rest in peace.

*I light this candle in honor of a woman whom I did not know. I do know Her daughter and son-in-law and give thanks for her part in their creation. They are lights to me in my darkness of family illness. Thank you Mrs. DuBois and may Eternal Light ever shine on your soul and may your Soul pass safely over.*

“ Ouma was a very elegant & thoughtful grandmother. It was a treat getting to visit her & Richard at their home in the country. I know they are now reunited in their heavenly home and am thankful she is pain free....

Love,  
Matt
