“ I cannot even imagine what you are feeling as you go through this difficult time. Just remember there are those that you can lean on for support and they will get you through! Sherry has always held a special place in my heart as she not only went the extra mile for her family, but for anyone she came into contact with. I'm certain all that knew her will keep her spirit alive for many years to come. We are all better people for spending time with her in whatever our involvement was. Many thoughts and prayers coming your way from my family!

“ Sherry was such a advocate for women suffering with breast cancer and she was such an encouragement to me as my mother too had breast cancer. The two of them spoke one evening at a Har-Ber Band event and shared their stories. I can't say that I wish I had gotten to know Sherry under better circumstances, because I do believe our circumstances are what gave us a bond and WOW what an impact she made on my life!! I will always remember her and her courage in this battle she fought so graciously. Her legacy will continue in the lives of the young girls she touched and in the lives of the not so young girls (like me) that she touched. I too lost my mother this last January to breast cancer and so I sympathize with the grief you are feeling now and I will keep you all in my prayers.

“ We are so sorry about your loss. We counted it a privilege to get to know Sherry and have the opportunity to work with her in the Harbor High School Band. She was such a dedicated person to whatever she was doing. She will be missed by all. Please let us know if there is anything we can do for your family. You will be in our prayers. “ Ed, Steven and Christine.....you all are in my thoughts and prayers. Sherry was very dedicated to her family and their activities. I enjoyed working with Sherry during Christine's volleyball years at Southwest Junior High. She was always willing to lend a hand and was very proud of Christine's and Steven's achievements. She will be missed greatly by many. I will be praying for you during this difficult time.
