“ Shawn and I worked together and became friends while working at Scheduled Truckways. He was one of those guys who people liked to be around as he always kept you laughing. Although I haven't seen him in a while, my memories of Shawn will be one of a fun loving person who was very close to his family. He will be greatly missed. My prayers go out to his loved ones. .

“ Shawn has always been a great, funny character with a love for life. Going to school with him, working with him at Scheduled Truckways, then being neighbors with him, his awesome Tajuana & beautiful kids was a blessing in my life. Though I haven't seen him for a few years, my life has definitely been touched by knowing him and his family. It is comforting to know he is walking painfree with our Lord. Prayers of comfort to the family.

“ *Even though Shawn and I haven't seen each other in several years, my memories were always very fond. He was a really nice guy in high school and a devoted family man later in life. Please know that I can't express how heavy my heart is for your family. I will pray you find comfort in Gods promise to keep you and your drawing together. Rest in peace, Shawn.*

“ I had the pleasure of getting to work with Shawn at the City of Lowell, he always had a way to make you laugh. For a while our offices were next door to each other, he would always walk by and slap the wall real hard just to scare me. He thought that was funny! One afternoon I heard him in his office snoring! yep you guessed it, I got him back! We both got a laugh out of that one! He kept such a good attitude through out this time in his life even though he was in pain. He was a very determined person and it inspired a lot of people. I will miss him so much as many others will too. I will miss my wall being slapped for a laugh from him! I know he is no longer in pain, and that is the comfort in this. My thoughts and prayers are with his family in this time of sorrow.
