“ I can't believe my sweet friend Sheila has passed. I served on the Owl Creek Elementary Parent Teacher Organization with her. My kids were just starting school and hers were in middle school. Being further along in her parenting journey than me, she taught me a lot. She was ALWAYS kind, gentle, and loving. She will be missed by many. Sending prayers and love to her children and grandchildren.

Oh such a sweet soul. You'll definitely be missed yet never forgotten ☐. We had our fun times and fair share of laughs as we worked together @DG . Literally talked with you on FB few days before your passing. I had no idea you were ill or whatever has taken you from those you've impacted ever so much. I know you're spirit & soul are rejoicing. Til we meet again my sweet soul sister Prayers continue for those impacted by you leaving this world so quickly

It was a privilege to call her friend! We work together, and we hit it off immediately. She was very funny and caring and considerate of her coworkers. I can only imagine how much her family will miss her. I am so sorry for your loss and I'm praying for peace and only the Lord can give.
