“ I'm fortunate to have known Shelly through work. I will always treasure the many long talks we had about everything under the sun. Shelly absolutely adored her family and loved talking about much they meant to her. Shelly was such a joy to work with and I will miss her dearly as will her work family and friends.

“ Megan, I am so sorry to learn of your mom's passing! I didn't know her except through your Dad. My mom, Patricia was best friends with Twyla. I spent many hours growing up with Weston and Greg. We hauled hay, played kick the can, sports in the back yard, went swimming and all other kinds of youth activities. The Kendrick family are very dear to me and I am so sorry that you have lost both parents at such a young age. May God bless you and comfort you during this most difficult time.

“ Oh Shelly, it is hard to believe your physical body remains, but your soul has gone to the heavens. You made me laugh so many times! Your motherly skills totally amazed me...just look at Megan and what beauty has been instilled in her. You will be missed, but you leave behind so many wonderful memories.

“ Shelly. I will miss my friend with every part of my being. I will miss the many conversation we had when we worked together. So many times we would lean on each other for support. Words cannot describe how much my heart aches remembering the many laughs, the many tears, the overall joy you not only brought to me but to others as well. I know I'm not the only one you shared your hugs with. That's just the person you are. May the lord open his gentle arms and welcome to home. May he also place his gentle hands upon Megan, and John. I know their hearts are broken also. You will be dearly missed my friend.....K.
