“ Wayne and family, I am so sorry to hear of your loss, she is a loss to the entire family. Although I was not around as we all got older, I always thought of Shenia as an Aunt. We (the family branches) recently all reconnected not long ago. I am glad Shenia was in my life. She was such a great lady! Know that I have prayers out there praying for you all and "our" families. I also am thinking of you and praying for you and the family. My mom, DeEtta, sends her love and condolences to Wayne and the family. I love you all and remember Shenia will always be with you, and she loves each one of us.

“ It is so hard not being there to hug you all. Aunt Shenia was in some form a mom to all of us. She had a unique gift to love people of all sorts. Her heart was huge and was willing to sacrifice portions of her life to help others. We talked over a week ago, how lucky we were to have a family that loves unconditionally. I was blessed to have Aunt Shenia in my life. The week she and Uncle Wayne visited us in Florida will never be forgotten. We laughed, played, laughed some more. She even made me my favorite "Douthit family" meal, beans, fried taters, and cornbread. She is going to be missed so much by me and many more. I love you Uncle Wayne and family. Wish I could have been there in person to hug you all and say goodbye.
