“ *Found out my dad Dale Shepardson died just after his wife Mary Helen....nobody contacted me to tell me about it so I never got to say goodbye. Didn't know Mary Helen's kids but I'd like to talk to them and know about the last days of my dad's life. I've been in China for 9 years. Our family is not a close one..many skeletons in the closet, but I've been very distant from all of that for many years and no matter what happens, we all care for our parents. I hope maybe someone can contact me at cifaclub@gmail.com to tell me some information so I can get a bit of closure on the whole thing. Thanks.*

I tried calling but his number is disconnected. My sincere condolences to her family.*

“ *So sorry to hear of Mary's death. We were friends for many years through our church and she lived in the house my grandparent's had on Grove Street. We graduated from SHS together and I have many memories of Faye's Sunday afternoon trips to Neal's Dairy Queen for ice cream. My sympathy to her family.*
