“ *I was so sorry to hear of Sherry's passing. I just found out about it, so I didn't make the visitation or funeral. She was a huge part of my growing up years and I have a lot of fond memories of Sherry. She will be missed.*

“ *Dear Don and Family  
I was shocked, when I heard about Sherry passing. I am so very sorry for you and Tia and the children.  
Unfortunately I did not find out till after the funeral. I did not read the paper. Someone called me the next day and mentioned it. It was late last night. Than I read the obituary. I had no idea that she was sick. I hope it is ok if I call you at a later date. Sherry was so young. I am very saddened.

“ Don and family,  
I met her a few times while working at Walgreens. Our encounters were short since she was usually stopping by to talk to Don, but the stories he told let me know how wonderful of a person she was. I always loved seeing what she packed in Don's lunch..some days I would get lucky and he'd share with me. She touched many souls and I'm sure she will continue to touch many more. If you are ever in need of anything, I am a phone call away.
