Shirlene loved her family, children, and grandchildren above all else. She was a wise and loving person who was a mom to everyone she met. She has a passion for lilacs and hummingbirds. Her warm and generous nature made her a beloved friend and matriarch to her family. Her absence will be felt in so many ways and so many lives. She will be deeply missed by all who knew her.

As her granddaughter Alxis said " she was as if a warm apple pie were a person".
