“ I worked with Shirley, at Springdale Clinic, in the 1980's. She was a very energetic person and raising 2 boys by herself. Shirley left an impression on me, early in my career. She will be missed.

“ Shirley was a very special person and will be greatly missed. Her door was always open for a bunch of us teenage boys who were Bob's friends to hang out, no matter what time of day or night. We always knew there was a safe place where we were welcome. She always made time to listen if you needed someone to talk to, feed you if you were hungry, take care of you if you were sick. Shirley lived her life being a great example of Christ's love to those he placed in her path.

“ Shirley was a wonderful person, always had a smile, thought the best of everyone, and always upbeat no matter what she was going through. She truly showed the love of Jesus through her life.
I know she will be missed by many and especially her dear family.
Please know I care and have many wonderful memories of past times we spent together.
May God, through our Lord Jesus Christ comfort each of you, as only He can.

“ I took many trips with Martha and Shirley late 1980s and 1990s and worked with both of them over the last 30 years. I will think of Shirley everyday and remember her cheerful smile and her positive outlook. Of late, we would have lunch at Neal's. I loved Shirley and she was a wonderful friend to have. I will miss her.
