“ It's been many years since I left Elk City. Shirley & I helped our husbands with their business "S & S Truck & Auto" She was a gentle, sweet woman. I enjoyed driving to OKC now & then to get parts for the guys. Our favorite thing was to stop at Taco Bell & feast on a beefy tostada. I know she's in heaven now, enjoying the company of angels & walking with Jesus. Rest in Peace.

Love y'all. Shirley was the first person who actively showed me a glimpse of who Jesus is and I enjoyed messaging and conversing with her about the bible. It's a blessing to know we will see her again. Praying for y'all.

“*I love and miss you momma. I know you are in a better place. You sacrificed so much for your family. You would give yourself last and put others first. If I become even half of the woman you were...I will be happy. Even though I will not hear your voice or get to watch the hula competitions with you on earth. I know you are in heaven singing and doing the hula with Jesus. I know you will be watching over your family in heaven...put in a good word with the big guy for us. Love you more than I could have ever expressed!*”

... although I haven't met you face to face, I heard so many good words about you. I feel, I've known you more than I should. Your absence, phone calls, face book post, will be miss by so many.

Forgive us our fault and when you meet the most powerful, please say a prayer for us. farewell for now my dear sister-in-law but rejoice for a new life journey. May God hold you in his hand and grant you to his promise land.
