“ I'll never forget Granny Spencer. She is one of my fondest memories of my life in AR. She was one of the most wonderful and sweetest ladies you could know. That's probably why she was given such a long pleasant life. I would be there Monday if it wasn't for my starting a new job at The Cleveland Clinic on that day. My thoughts and prayers are with all of you at this sad time. Love from Cleveland.

“ We were blessed for so many years with the greatest most precious woman on earth. She was far far more than a Grandmother to me she was a friend, a mother, a confidont. I will miss her everyday. I hope she's smiling down on us in heaven now with Grandpa Floyd, Loriene and Jeremy. My special little angel.
