“ We knew Steve as the always cheerful person who loved flowers and his yard and his family. He painted in our homes over the years and we grew to love him. Sometimes he brought me plants from his back yard.

We send our prayers for the family and you should know how much he loved you. He always spoke favorably about his wife and family and shared with me his concerns for their health. And that was when his health was not good.

Our best to you as you go forth without his presence...

Grace and peace, Ann and Morriss Henry

“ We met as kids and became friends and our friendship has lasted throughout the years. We had a lot of good times growing up in Fayetteville and I cherish all of them. I remember the green '58 Chevy you had with the continental pack on the back. You were really proud of that car and kept it shining like a diamond. When you started playing the drums, you played along with an album by the Dave Clark 5 and I could hear you from my house. Just a few of the many great memories of my best friend Steve. He was more like a brother than a friend and I will miss him so much. Steve, give your Mom and Dad and my Mom and Dad a big Hug and tell them I love them. Until we meet again, my friend.

“ It has been a pleasure to know Steve. He was the most giving person, the most kind person. His eyes always lit up when talking about his kids or grandkids. It was always a true pleasure to spend time working with Steve. He will be missed by many. Terry and Lee Ann Keen
