“ *Our thoughts and prayers are with your family during this time of loss. We can never fully understand why the Lord calls some of us home early, yet we know that we will be reunited for eternity. Dale, I still remember you as that little boy playing outside my father's church at Altamont.*

“ Craig and Jill:

*I am so sorry to hear about your mom. I have some great memories from spending the night at your house in Rogers. She took us to the movies, bowling, swimming, putt-putt golf and several other places. She cooked cookies late at night and made sure we had a good time. She also had quite a bit of patience when we had birthday parties or kept her up all night because we were cheering too loud on Intellivision or having a pillow fight. She was a great person and she was a great mom! Your family is in my thoughts and prayers.*
