“ To grant those who mourn in Zion, to give them a beautiful headdress instead of ashes, the oil of gladness instead of mourning, the garment of praise instead of a faint spirit; that they might be called oaks of righteousness, the planting of the LORD, that he may be glorified. “ *May God comfort each of the family members as you walk through this valley of the shadow of death. We did not know Tanner, but we lost a son who died in a motorcycle-car crash and we cherish his memory just as y'all do of Tanner. It's heartbreaking to lose family member especially at a young age. We are of the Christian faith and we dealt with our pain based on our belief that God is still sovereign, even when we don't understand tragedy.*

*We've found that each person in the families has to grieve in their own way and own time, so we encourage each of you to be aware and allow that in the coming weeks. And also you may not think so in the next few weeks, but as time passes you will be able to think more on the good times that you had together and less about losing this fine young man.*

*It is always good to hear people remember and name the one you've lost. Tanner will not be forgotten by friends and I hope they'll share their memories of him with you.*
