“ Yes, Teddi passed away a year ago; she had been ill with Multiple Sclerosis, and wheelchair-bound for many years. She lived here in Arkansas (in Dardanelle, down in the Arkansas Valley), and we touched base every once in awhile. Although she had been a widow for years, her sons and grandkids were a really good support system. She was a strong Christian, very active in her church. We had a few classes together at TJ; I will always remember her as a very cute but shy and reserved petit blond girl.

“ I always thought of Teddi as the greatest woman! She was always so nice and never having anything bad to say about anyone. I just Loved her! She will be missed and thought of often. I remember her and Gary would come out to the farm and they would ride horses together before she got so bad and could not walk. Our Families would see each other during PeeWee football games and baseball games. She is with Gary now! I truly believe that. May God be with her sons and their families during this time.

sincerely,

This Woman , this Lady I am so thankful for our friendship. Our long talks of days gone by. She was a Christian woman of strong faith in our Savior and she never missed an opportunity to talk about her God! She was strong to the point of being obstinate!! I loved her as a sister and considered her among my best friends. Prayers for John and David and their families. I'm so sorry that Harper never got the opportunity to know the great woman Grandma Teddi was . !!!!

Teddi was my dear and loving friend for many years. She loved the Lord beyond Words. We took many rides in Her van and the one I Will not forget is our trip on Nebo. We parked looked at the view and talked about Our Blessing that

We the Lord had given each of us. I am so glad that she is at peace now.

“ *Mrs. Moore was a second mother to me as a child. I spent countless moments at her house and she was always so loving. My mother and her were great friends and spent many hours visiting on the phone until my mother passed.*

I pray for comfort for the family, and can only imagine her and Gary running, dancing and laughing the streets of Gold together, pain free and happy! Love you all and will greatly miss Mrs. Moore!
