“ *Teresa was such a wonderful person to work with at Helltern Middle School. She was supportive, caring, and had a passion for the students we taught. Best of all, she loved the Lord and sang His praises, even in the face of adversity. I'll miss you Teresa and never forget you!*

“ *I was looking for Theresa's email to let her know that one of her old students, Nathan Clark (my son), had just passed his oral defense for his masters in history (graduating spring 2012 from UARK). Through her generous spirit and here expertise in speech therapy, Theresa gave him a voice and so much more.*

*Nathan and I went to Theresa's house (and met Becca as a child) during the summer for therapy since school wasn't in session. He had had doctors tell us he'd always have to carry a pad and pencil because he'd be frustrated when people couldn't understand him.*

*Theresa cared enough to keep working with him. Nathan is so bright and ARTICULATE (and is planning on teaching history), and this would not have been a reality if not for her.*

*I have to say that I am so very saddened to hear that she has passed.*

“ My deepest thoughts and prayers go out to Teresa's entire family. She was such a wonderful mentor, friend, co-worker, and person during my graduate school internship with her at and the years beyond. As a cancer fighter/survivor myself, Teresa also showed me what it truly meant to persevere, live life to the fullest, and fight until the very end. I hope that someday I can be as great of a person and Speech Therapist as she was. She is going to be missed very very much but will always hold a special place in my heart. I pray that she is in peace now and continues to call the Hogs!
