Spring Creek was very important to Teresa; she grew up attending weekly church services there where her grandfather was a deacon. She developed her strong faith in the Lord there and was baptized in Spring Creek.

Teresa loved snickerdoodle cookies, the beach, word search puzzles, all animals, and watching home design and home renovation shows on television. She had a passion for plants, flowers, and fishing. She danced with her family members in the living room and loved dancing so much, she taught country and western dancing and line dancing. Teresa was a talented artist and used charcoal drawings and paintings to make her artwork sing. Most importantly, she loved her family with all her heart, as they were the highlight of her life.

Her family requests that in lieu of flowers, donations be made in Teresa's name to the Leukemia Research Foundation (<https://leukemiarf.org>) or the American Cancer Society (<https://www.cancer.org>).
