“ *I am so sorry for the recent loss of your family member, Terry Cagle. I have an encouraging message that I would like to share with you from God's Word, the Bible. The Bible gives us so much comfort and hope during these sad times in our lives especially when someone dies so young. For example, Revelation 21:3-5 assures us that the day is soon to come in which our loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and even death will be no more. I hope after reading this it will be of comfort to each one of you during this difficult time. If you would like to learn more as to why we die and what hope there is for our dead loved ones , please feel free to go to the website: jw.org.*
