“ *I came to know Thelma while working at Spring Meadows. She was such a joy and inspiration to me personally. There are very few people who are truly a walking testimony for Jesus Christ and Thelma was one of them. She loved the Lord with all her heart and we often talked about this. She told me how she accepted her life as it was, although she didn't understand it, but said God had a purpose. She always gave thanks to the Lord and gave him praise. I know that right now she is made whole and is having a good time with the Lord! There are many here at Spring Meadows who loved her and will miss her very much. We all wish her family our sincere condolences. Our thoughts and prayers are with each of you. And to Thelma we will not say goodbye, just so long for now, we'll see you again someday. Love you!*
