“ My condolences to all of Thurman's family. My thoughts and prayers will be with you. I have another family funeral to attend on Wednesday morning in Greenland, so I am unsure whether I will be able to attend his service. I am sorry to say that probably none of you know me, even though he is my relative. My grandfather, Charlie Gayer, was Thurman's mother's brother. My name is Joyce Tuller, and I am the daughter of Helen Gayer Robbins. Just recently, I have connected with some of our common relatives who are grandchildren of Columbus Vaughan, and would welcome getting to know your family, too.
