“ *Gerald and Family,
At a loss for words to share how deeply our Miss Tillie will be missed and yet how she will forever live on in our lives and personally in every bird I hear and see. She was my mentor in so many ways, my birder friend, horsey friend, trail walker and pizza friend...I was so honored to have her stay toward the end of her days and sit in my recliner watching birds with me...one last time...She taught us how to live in Grace thru good and bad and she loved her family so very much. You all will be in our thoughts and prayers as you miss your sweetheart, Mom and friend.
May God hold you in the palm of His hand and give you peace,
Love, Steve & Jackie Morris*

“ I have 2 fond recollections of our friend Tillie;

1.) She willingly and joyfully served in Awana on Wednesday nights despite the fact that doing so resulted in her having to drive all the way to Bella Vista from Tontitown late at night by herself as Gerald was already in town for work. After year 1 she said "Mike, I don't think I can do this any more because it just wipes me out". Year 2 rolled around and there was Tillie loving on the kids on Wednesday evenings with a big smile on her face.

2.) With no disrespect intended for Fox (Gerald) I have heard multiple people address him as "Mr. Tillie".

Tillie was larger than life and will never be forgotten. I look forward to seeing her again!

Dear Fox, you have all of my sympathies in the loss of Tillie, the rock of your life. My heart goes out to you. Tillie was the friend of my heart. She was known to the Mud Stompers as "our hobbit." Her presence brought smiles and laughter into our lives. Now she roams the heavenly tundra in a perfectly healed body. What a beautiful place to be! Enjoy it my friend. You will be there forever!
