“ *My dear friends,
I am so very sorry for your loss. Words cannot express the love we have for you all. I know you are hurting, but I pray the peace of God on you during this time. Remember that He loves you and cares for you. Lean on God, He has some pretty big and strong shoulders. I'm glad that Ronnie shared with me that he was saved. You will see him again soon. I love you all and thinking of you.
In His love,
Brother Tim, Becky and Emily*

“ *I first met Tim in PeeWee football. He played for the "Lowell Boys" as a running back and I played for Central Ward. When he came through the line...that's when I "met" him..he creamed me. Since then I went through school with him and we became friends. He was a genuine guy. My condolences to the family*

“ I went to school with Tim for many years in Lowell and then Rogers. There is something that seems to have tied all of us from Lowell for life. We may not have seen each other for years or even been in contact but no one is ever forgotten. My prayers are with you and the entire family and will be praying for God to bless and comfort you in your loss. Share the memories you have and share them often in doing this you will keep Tim close and know that he is in a much better place now and will be waiting for each of us when it is our time to join him.

“ Tim,

I will never forget you. We danced together for a while, then went our separate ways, but you have remained in my heart. May you continue to sing and dance, now with the angels! Words from your song:

I was a young troubadour, when I rode in on a song, and I'll be an old troubadour, when I'm gone. I'll be an old troubadour, when I'm gone.

Love, Darla
