“ Momma Tina you will so dearly be missed. She loved video chatting Orion and checked on him and I often. My only regret is not getting to meet you in person. When you see Orion's brother Colten, please give him a huge hug from me. Love you Tina, you will be missed!

“ I'm in a Facebook group that Miss Tina was a part of. She was known as Momma Tina, always brightening our days, encouraging us and cheering us on. It was a constant flow of happiness and love from her that we received. I loved her posts and stories about her beloved husband and grandkids. I will miss her dearly.

“ My heart hurts for the loss of our sweet friend, Mama Tina. She was the most loving and caring person that always made sure the people in her life knew that they were loved. Though I never had the pleasure of meeting her in person, she truly was a friend. I will love and miss forever. Rest well, sweet lady.

“ Tina was apart of a Facebook group that I am in. She was affectionately known in the group as “Momma Tina”. She was a very very special woman to all of us and we all admired and respected her. She was always the first to send us words of encouragement. She never had a negative thing to say. She always ended the conversation with “I love you”. We all felt the genuine love that came from her. Tina was someone we knew we could count on. She loved her kids, grandchildren and her husband more than life itself. She loved seeing pictures of our kids in our group and kept up with them all. She was a very special woman and the world is a little darker without her beautiful bright light shining. Rest east Momma Tina. We love you dearly.
