“ Don and family, we are so saddened by the passing of your son, Toby. This is such a trying situation to handle not only for you as his father but also for the rest of the family. It is not ours to question why this has happened but I want you to know that God is walking with you, and is holding you all in His hands. He gave us his Son and knows the pain of such a loss. God bless you all and know that Toby is at peace with our Lord.

“ Dear Phillips family:
All who knew Toby are struck with the loss of such an individual as he was. As a high school classmate of his, I believe that there were few who knew Toby that were not benefitted by his individuality and presence. No one can fathom your thoughts, but please accept our prayers.

“ I was the sponsor of the class of 2003 at Huntsville High School. Although I did not have Toby in class, I knew him and enjoyed talking to him. He was a quiet and thoughtful young man. I appreciate all that he gave in service to our country, and am so sorry for your loss. Please accept my sincere wishes for strength for your family at this time. You are in my heart and in my prayers.
