“ I am so sorry for your loss, my condolences to the entire family. I met Tommy through the Springdale Senior Center in the pool room. I had the honor of being able to shoot pool with him (and learn a few things too) for a couple of years. I am extremely honored that I had the opportunity of speaking with him about some of his time in the Navy during the Korean War. He had my respect that veterans give to one another. I salute you Brother, your job is done.
