“ I knew Tom for about 20 years because of our work at J. B. Hunt. We actually never work together but would talk often.

*I always appreciated his candor and wit.*

“ Coaches Tom and Michael trying to coach a bunch of elementary school teachers to compete in softball back in the early 80s. Then, gather at Pizza Hut after every game. Tom and Mike would get so frustrated with us. Haha. Good times.

“ I am shocked to learn of his passing. Although we were in the same class in school, I really did not know him well in high school. Yet a few years ago some of us classmates got together and Tom was there. We had a wonderful time reconnecting with him and enjoyed meeting Betty. As we were getting ready to leave, we realized that Tom had paid for our meals. We were very impressed with his generosity. Know that you are in our thoughts and prayers.
