“ *Tommye is my baby sister although there is a little space between us . She would call me and say Joann pray for me. And she would say “That feels so much better”. Tommye had a lot of demons to fight in this life but I believe she overcome she knew who would help her. She suffered a lot in the last ten years but she never let it get her down My grandchildren knew her as Tom the banker she always had a sucker for them. Tommye there will always be a place in my heart for you. Love you “Little It”*

“ The old First National Bank of Springdale gang was family. I loved Tommye's wit. She was awesome! I called her Tomcat. There was a group of us who would go to the Hickory Creek swim area during the summer, hang out at each others' houses on the weekends, and really enjoyed time together back then. She was a great co-worker. Always willing to help. Those were special times that will always be cherished. As life always happens, jobs and careers took people in different directions. Rest in peace my friend!
