“ *Tracee was such a great teacher. She touched many lives including the lives of those of us who were fortunate enough to get to work with her. What I remember the most about Tracee was her strong faith in God and His Son, Jesus Christ. She lived her life to make the world a better place. She will be greatly missed. Moe you and your family will be in our ongoing prayers.*

“ *I just received notification of the passing of a very special young lady, Tracee Neff, and my mind immediately brought up an image of her as I remember her best, with a great big smile and Tracee's distinctive laugh.*

Unfortunately, living so far apart, I wasn't able to keep in touch with all of the Neffs and Winberrys like I would have preferred and the last time that I was able to spend a few minutes with Tracee was at another sad time, Mida's passing, but I still received a warm embrace, big smile and that distinctive Tracee laugh. The beautiful soul and being will be greatly missed by many. Danny Marshall

“ I can't explain how i felt when i saw that she passed away. I will miss her. Best teacher ever! The only History class that i will pass without going to tutoring. You will be missed. Que Dios la tenga en su gloria.

“ She was more than a teacher! She taught her students that you could always count on her. To me she was more than my teacher she was another mom! That was always by my side. She'll be dearly missed 😞
