“ *Family,
I have known Tracy for at least 30 years, I worked with her at FDC. She was a great co-worker and special friend. She would help me in any situation, always had a smile too! We both love to travel and actually traveled some of the same locations, the beach or mountains, sharing many stories and pictures of our travel. I am so sorry for your loss, but grateful for her friendship over all these years. I am happy our paths crossed and I will treasure those memories of Sweet Tracy. Praying for your families, hoping with time, that you will be able to remember the good times you all shared. Sherry Vinson*

“ I remember Tracy! I worked with Tracy many years at FDC. She was a joy to be around and work with. May your grief be shortened with the knowledge that she was helpful to all, and made all of our jobs easier with her efforts. I know it takes time, in your own way, to grieve, May God be with you and give you the grace to weather the storms that are coming. Just a simple reminder that she served not just FDC but the patients that we all care for. Dorothea Meek Coleman.
