“ *Greg and Kim,*

I am so sorry to hear about your loss. Even though I had not seen Twila since us kids were in High School she was always a very loving parent to us all. She always welcomed us into her home and just an all around lovely lady. Im sure she touched many lives during her time here and she will be very missed.

My thoughts and prayers are with you during this time.

“ Greg and Kim,

We are so sorry and feel your loss along with you. Twyla has been our sister for over 50 years and it's going to be so sad for us to come home this year and her not be there. Just know that you are constantly in our thoughts. We know that Johnny and Weston were there to greet her as she walked smiling to meet them. Finally, she is pain free.
