“ I know I'm a little late to the party but I just wanted to share how wonderful Valerie was. I met her a little under 3 years ago and we became fast friends. She loved going to karaoke and would always request songs for me to try. When I introduced her to my Mom, that's when I realized Valerie was family. Distant, but still family. I know she will be very sorely missed by all her friends and family from now until forever. We had so many wonderful, happy nights watching and singing along to the songs being performed that I hope, once this insane pandemic is over, and life (hopefully) gets back to some semblance of order we can all get together to honor and celebrate Valerie's life like she would have wanted. With singing, merriment, and joy... just the same way she lived her life. Love and condolences to all.

“ She was my manager at McDonald's when I was in high school. That was 20 years ago and I was kind of a nerd, but man we liked to laugh together. She taught me a lot about being responsible and I remember the pride she had when I was promoted to a trainer. I'm so sorry for your loss, she was certainly something special.
