“ *Velma was a very sweet Christian lady. I really enjoyed being around her and worshipping together with her in Church at Calvary for a couple of years.*

“ We are so very sorry for you loss. We have known the Thomas girls for over fifty years. They are a very close knit family. We found out where Velma was and went to see her and after our visit, I took pictures of her and Dennis and later that week, I had returned to take her a picture of her and Dennis and if pictures could speak, that one would speak volumes. Dennis has always looked at the girls as his sister's. There are no words to say at this time to help your hearts mend. You are in our thoughts and prayers. Velma had a contagious smile and was full of life, hopes and dreams. We pray that God will be with you through out this journey and may you find some kind of peace knowing that every thing is going to be alright. She will greatly missed by all of those whose life she has touched down through the years. Love and Prayers, Dennis and Mary Isaac

“ *Velma and my mother, Donna Evans, met only a couple years ago when mom moved into Shiloh, but became best friends. Velma was a beautiful person and we loved her dearly. Velma was always by mom's side and mom was by her side, The world lost a good one when Velma got her wings. Several times I have walked in as caught them giggling like little school girls, I will miss seeing that and Mom will miss Velma everyday for the rest of her life. Fly high sweet Velma.*
