“ Angle on Earth for 79 years she was 😇❤️ I have never met a Gentler soul. Aunt Loretta had a contagious laugh and infectious smile.

“God saw you getting tired and a cure was not to be so he put his arms around you and whispered, “Come to Me!”

The Heavens are rejoicing as you have finally went home. You maybe gone from Earth but will ever be living within each and everyone of the souls you impacted.

RIP Aunt Loretta 🙏

“ *She was my mother's best childhood friend. I grew up thinking she was my aunt! They loved to giggle and tell stories! I'll bet that's exactly what they are doing right now in heaven. Loretta and my mom are once again united. That gives me such a warm feeling inside. So very grateful to Loretta and James and family for all the wonderful memories. She will be missed and always remembered.*
