“ I hope the following poem will help your family in this time of need:

*We Can't ... But God Can!
Why Things happen as they do
We donot always know,
And we cannot always fathom
Why our spirits sink so low...
We flounder in our dark distress,
We are wavering and unstable,
But when we're most inadequate
The Lord God's ALWAYS ABLE...
For though we are incapable,
God's powerful and great,
And there's no darkness of the mind
That God can't penetrate...
And all that is required of us
Whenever things go wrong
Is to trust in God implicitly
With a FAITH that's deep and strong,
And while He may not instantly
Unravel all the strands
Of the tangled thoughts that trouble us--
He completely understands...
And in His time, if we have FAITH,
He will gradually restore
The brightness to our spirit
That we've been longing for...
So remember, there's no cloud too dark
For God's light to penetrate
If we keep on believing
And have FAITH ENOUGH to WAIT!*

*All my prayers are with you all.
