“ *Don't have a lot of memories, but I do remember him coming to see grandma Douthit when she lived at Applegate Drive, there were times he would come get me and take me to the store to get some candy or ice cream, I do remember that, I was real small around 6 or 7 years old. I remember one time he came by on his motorcycle dad wouldn't let me ride, I wanted to, lol, when he left he was kinda showing out, lol and turned it over at the stop sign down the street from grandma's, he was ok though, he didn't get hurt, maybe just his pride a little, lol. R.I.P. big brother I luv u to the moon and back, u may be gone but u will never ever be forgotten, u will always be in our hearts for ever! Baby Sis. Loretta*
