“ *I was so shocked and sad that Vernon had passed. At the 50th High School Reunion he was as sweet as I remembered him in High School.*

My prayers and thoughts go out to the family. May God put his arms around you and give you comfort in this time of sorrow.

“ Dear Shawn and Brenda and Family, We were so sadden to hear of Vernon's passing. We were not able to stay after the service but wanted to be there to let you know how special he was to us. Paul recalls many memories they had together while working for Nationwide. The trip we all and the Morris's made to Washington D.C. is still talked about in our family. He was a wonderful man and we will all miss him. We love you all and you are in our prayers.
Love, Paul and Linda
