“ *My Uncle Keith was a very special man. I loved him with all my heart. I'm sure going to miss our phone conversations.
I love the one and only time he sang a solo in church, I was there visiting him for a week, and I recorded it. It is a memory I will treasure forever!
He's with the love of his life, my Aunt Wanda, and now they are happy together again. I am named after her and my brother is named after Uncle Keith.
They both had a passion for life and what ever adventure they could explore together. They were always traveling.
I miss them both so very much!! They will always be forever in my heart!!
Till we meet again-
love Wanda Renee Goss. Of Pinconning MICH. Formerly from CA and Montana.
