“ I was glad to see Vicki last month at our class of '75 lunch. We had been in grade school together and there were times when I came to her house and we would play in the creek beside her house. She was always a sweet person. I really wish we could have had more monthly lunches with her but I guess God needed her more than we did at our lunches. She will be missed. May God grant the family with peace and comfort during this time. It isn't easy to lose someone as special as Vicki.

“ What can you say about a loved one who's passed on to go be where they lived their whole life to end up, With Jesus Christ our Lord and Savior? My heart breaks for Brent along with the rest of our family but we can all be happy with one thing, Vicki is exactly where she has always wanted to be and only for a short time we will miss her but soon join her! Vicki and Brent I love you both Dearly and I hate that you have to continue your journey without her by your side Brent but God is still in control!! Keep serving him!

“ Vicki was my student in the Elementary Ed program at the U of A. She had returned to school as a non-traditional student and had many other things going on in her life. She persevered and her work was excellent. It was a privilege to have known her.

“ We loved Vicki and her precious family. We worked many years in the bus ministry at First Baptist (Cross Church) with her mom, Vicki, Cyndi and Ed telling children about Jesus. Vicki always had a sweet smile and never complained about anything. May God wrap His arms tightly around you Brent, Samuel and Rebecca and give you His wonderful peace and comfort in the days ahead. She loved Jesus and is now forever with Him. Our love and prayers for all of you. Joe and Mary Jesse
