“ *As I read everyone's thoughts and comments, I know how loved Vickie was and how everyone will remember her as the beautiful, often hilarious, and fun person to be around. I worked with Vickie back in the 80's at the Jim Ray dealership and will always remember the fun we had, the talks she and I had as we shared an office, and overall just how much fun we had in that office. Later our contact was through facebook. I loved looking at her timeline, reading and laughing at her jokes. Rest in peace my friend and may God's arms surround your dear Mom with another loss so soon after your brother.*

“ From Jones Elementary, to Central to SHS, you were my friend. I was so happy to be friends with you on Facebook and see that your crazy sense of humor was still going strong. Your Daisy photos always made me chuckle. From sleep overs to the day you actually got me to leave campus in high school to wash your beloved car to our shared middle name - I will miss you! <3
